

In Lieu of Gifts...

please consider donating to the Mary Claire Satterly

←The Birthday Invitation for Karen Satterly Bensch's twins, commonly referred to as "The Littles" by their aunt Mary Claire.

As many of you know, William and Virginia's Auntie Mary Claire ("MC") passed away of leukemia this past year. Inspired by MC's living, our family continues to share her spirit of giving. In lieu of gifts, please consider instead the following...

Making a donation to the Mary Claire Satterly Foundation (www.mcspirit.org); Purchasing a toy/school supply for the Mary Claire Satterly Pediatric Oncology Playroom set to open in Chapel Hill, North Carolina this Fall (www.amazon.com, go to Gift/Wishlist, Enter "UNC" and the current Oncology Clinic will appear); or "DO"nating your time/talent to a charity special to your own family.

This is truly the best "present" William and Virginia could ask for!

To our family and friends:
We would like to thank all of you for joining us on our special day. In lieu of a favor, a donation has been made to the Mary Claire Satterly Foundation. Mary Claire was a very close friend of the Stone family.

In just 27 years, Mary Claire Satterly touched the lives of many. Lovingly known as "MC," her zest for life, her love of others, and her innate goodness was contagious among all who knew her.

In April of 2008, MC was diagnosed with Acute Myelogenous Leukemia. Just four days after her diagnosis, cancer ended her life...but not her "MC Spirit" which continues to live on through her Foundation.

The Foundation's first of many goals is to establish the Mary Claire Satterly Pediatric Oncology Playroom at the new Cancer Hospital in Chapel Hill to open in fall 2009.

We continue to keep Mary Claire in our thoughts and prayers.
